We aren't just the future of the Church... We are the Present!

"This will be the first Middle School Rally held in the Catholic Diocese of Fort Worth in the past twenty years! This event will be an opportunity to gather middle school youth and their adult leaders from across the Diocese, and to spend a full day together in celebration of our Catholic faith and identity. Our dynamic presenters will be focusing upon evangelization, with lots of movement, powerful testimonials to our shared Catholic faith, and great music and prayer. Father Jeff Poirot, pastor of Holy Family Church in Fort Worth, will be with us to celebrate a dynamic, youth-friendly Mass. Our Rally team, led by coordinator Larry West, asks that you mark this on your calendar and plan to be a part of this very special occasion."
